Supervisor Burke made the following statement:

"The American Red Cross will be conducting its National Campaign 'Save a Life Tour 2003' beginning in May in Los Angeles and ending in November in Washington, D.C. The concept involves two convoys that travel across America collecting blood, heightening public awareness and generating excitement in local communities. The convoy will include a public relations and education bus and a mobile museum, which will educate donors through a variety of interactive kiosks. The 'Save a Life Tour 2003' will be stopping at Zuma Beach on June 8, 2003, to increase the public's awareness about the ongoing need for blood and to accept blood donations."

Therefore, on motion of Supervisor Burke, seconded by Supervisor Knabe, unanimously carried (Supervisor Molina being absent), the Board waived fees in the amount of \$300.00, excluding the cost of liability insurance, for the use of 50 parking spaces at Zuma Beach to stage the American Red Cross' "Save a Life Tour 2003," to be held June 8, 2003.
